    <h1 class="sub-title">My <span>Services</span> </h1>
    <div class="services-list">
      <div>
        <i class='bx bx-headphone' style='color:#09ffff' ></i>
        <h2>Lights Man/Lights Operator</h2>
        <p>The lights man is responsible for setting the mood and atmosphere of
the performance.
          They use lighting effects to create different emotions, intensify
specific moments, and contribute to the overall aesthetic.</p>
        </div>
        <div>
          <i class='bx bx-headphone' style='color:#09ffff' ></i>
          <h2>Music Operator/Disc Jockey</h2>
          <p>A music operator may refer to a sound engineer or mixer
responsible for operating audio equipment during a live performance or recording
session.
            Their purpose is to ensure high-quality sound, balance, and
clarity in the audio mix.</p>
          </div>
          <div>
            <i class='bx bx-headphone' style='color:#09ffff' ></i>
            <h2>Lights Programmer</h2>
            <p>A lights programmer works with the creative team to design
lighting concepts that align with the overall vision of the production.
              This includes considering the mood, atmosphere, and thematic
elements of the performance.</p>
            </div>
